We'd like to take a moment to thank some of our closest friends, our customers. You have been a part of our lives, as we have yours. This isn't just a job for us. La Luna is our life! We go to work every day hoping we make each of you happy. We know that we have spoiled some of you to the point that you never go to another restaurant, and that's great for all of us. We couldn't be more honored to think of you as more than just an acquaintance. We will do our best to take care of each and every one of you. It brings us joy to see you twice a week, some of you more. We love to hear the great things you say about La Luna, and we appreciate hearing the things you don't like as well. We will always be grateful for the amazing customers we have. We wouldn't be here if it weren't for each of you. Thank you so very much
